

LET IT BURN

"Burn Baby Burn"

And do we know exactly who we are
We hold the light but we still listen to the dark
And it tells us that we don't measure up
And it tells us that we'll never be enough, tell me
Do we know exactly who we are

We are the light
Light of the world
Light up the night
When will we learn
Now is our time
Now is our turn
To burn baby burn baby
Oh oh oh
Burn baby burn baby
Oh oh oh
Burn baby burn baby

And do we know exactly what we have
Why don't we let it shine while we have the chance
It's not so we can earn our place
We shine 'cause we've been saved by grace, tell me
Do we know exactly what we have

We are the light
Light of the world
Light up the night
When will we learn
Now is our time
Now is our turn
To burn baby burn baby
Oh oh oh
Burn baby burn baby
Oh oh oh
Burn baby burn baby

Oh we're a city on a hillside
So bright keep on shining
Oh take that fire from the inside
Outside keep on burning

We are the light
Light of the world
Light up the night
When will we learn
Now is our time
Now is our turn
To burn baby burn baby
